

Amendments to Drawing Figures:

The two replacement Figures 1 and 2 are formal versions of the previously submitted Figures 1 and 2. Applicant has not made any amendments to Figures 1 and 2.

Applicant has added Figures 3 and 4 to more clearly illustrate the file format for a packaged resource adapter and the method operations to provide the resource adapter. Figures 3 and 4 merely illustrate the detailed description and, as such, no new matter has been added.

Attachments: Two replacement Figures 1 and 2. Two additional Figures 3 and 4.
